About

Meet Mr.Brighton! This sweet senior is 8 years old and was saved off of death row from WAS. He developed seizures not long after and will be on life long medication, but that has never stopped him from greeting every human he meets with big wiggles and lots of kisses. A man that wants all of your love to himself- what more could you ask for in a guy?! Brighton is always going to brighten every room he walks into, come meet him and find out for yourself!
