About

Meet Espresso! Unfortunately we will never know this sweet old man's past, other than he was found as a stray and taken to a kill shelter where he was euth listed only because of his age. The only dog in an empty row they decided wasn't worth living and to walk down the hall and never return. We could not let that be his fate. Since being with us, this sweet old man has stolen every heart he's met. Espresso is mostly concerned with any person wiling to give him a little affection. He is so thankful to be given a second chance at life and would love to be yours furever. Espresso is good with other dogs at times, but we think we would do best in a home where he can be the only pup.
