Attributes

Medical Coord/Adopter Consult Required

About

I'm Mallow, a 10-year-old cream-colored Great Pyrenees, and I'm ready to show you what loyalty really means ■. At 78 pounds, I'm a gentle giant with a heart to match — neutered and looking for a second chance after a rough start at a kill shelter where my family had to leave me behind. I'm friendly, smart, and devoted, and I promise to give you all the love I have to give in return for a home that never lets me go. Please note that I do require medical coordination and an adopter consultation before adoption, so let's chat about what I need to thrive ♥■. Come meet me today — I'm waiting to become part of your family ■.
