About

Hi, I'm Laney, an 11-year-old apricot and white terrier mix with a heart as big as they come! ■ I'm already spayed and ready to be your devoted companion — after all these years, I know what love looks like, and I'm eager to share it with you. I'm a gentle soul who's curious about the world (yes, I've even made friends with a cat!), and I bring loyalty and sweetness to every moment we share together. ♥■ Come meet me and let's start our next adventure as a team! ■
