About

Roxy is our current doggy friend that came in under a very sad situation. at 12 years old, and a senior She was owned and loved by her owner that for no fault of her own was forced to be placed in a shelter. She was placed in a shelter with her sibling doggy friend. Scrappy was much older and more frail and passed while in our care. Since then Roxy is slowly adapting to not having her companion. She is a wonderful amazing doggy. That truthfully asks for so little. She appreciates her toys, her chews, and her many snuggles from her foster family She loves to be outside, so would appreciate a fenced yard to lay in the sunshine for hours. She loves her dog and cat friends and is very sweet to all. She is asking for a home to love her for the rest of her life. She will be the best companion for anyone.
