About

If you've always dreamed of having a loving companion who wants nothing more than to be by your side, ****Lucille might just be your girl!**** Sweet Lucille came from a stressful and unpredictable environment. Her person made the heartbreaking decision to surrender her to a shelter, not because she wasn't loved, but because she was. They hoped that by letting her go, Lucille might have the chance to find the peaceful, loving home she so very much deserved. ****And we are hoping for that very same happy ending for this beautiful girl!**** Lucille is an absolute sweetheart! She has shown us that she does wonderfully with adults and children alike, and she is currently living with a large pack of dogs and doing quite well! After all the uncertainty in her life, we would love nothing more than to see Lucille find a family of her very own. A home where she can feel safe, loved, and secure, and where she can spend her days being someone's faithful little shadow. ****Lucille deserves her happily ever after, and we would love your help finding it! Please share this sweet girl, and if you think Lucille might be**
