About

I'm Gracie, an 8-year-old tan Chihuahua-Pug mix, and I come as a package deal with my bonded sister Cutie Pie.. we're inseparable! ■ I'm already spayed and ready to bring affection and gentleness into your home, whether we're cuddling on the couch or just chilling by your side. My sister and I are smart, happy girls who thrive as companion dogs, and we'd love nothing more than to be your couch buddies for life. Adopting us means getting twice the love and loyalty — we're a dynamic duo looking for a forever home together! ■ We can't wait to meet you.
