## About

This sweet boy is Rawlings! He has such a silly personality and will always be sure to put a smile on your face! He can be slow to warm up to new people but once you earn his trust he will give you all his love! Rawlings likes to be an active boy and his favorite things to do are fetch and long walks! He is potty trained and never tears anything up in his room! He is also food motivated and loves to work on his commands!
